Report Summary

This report contains an FTE count of all students enrolled at each of the VSC schools on the official Fall reporting date of October 15. Students who are taking classes at more than one VSC institution are included in the FTE counts of both colleges. The total VSC numbers however calculate FTE for a student based on their total VSC credits. A student enrolled in 3 credits at JSC and 12 credits at CCV would count as .25 FTE at JSC and 1 FTE at CCV. The VSC summary column recalculates the student's FTE based on the sum of the enrolled credits for the term. The student's 15 credit total would be counted as 1 FTE for the VSC. The resulting unduplicated FTE figures for the VSC therefore do not equal the sum of the college FTE Enrollments.

Definitions

FTE (Full-Time Equivalent): Full-time equivalency figures are derived by counting 1 for all students enrolled on a full-time basis (12 credits or more for undergraduates and 9 credits or more for graduates) and then taking the student credit hours for all part time students and determining the number of full time students it would take to generate that number of student credit hours. Total part-time undergraduate credit hours are divided by 12, while total part-time graduate credit hours are divided by 9.

In-State Student: An in-state student is a student who is identified as a Vermont resident for the purposes of admissions. It is expected that the residency status of a student remains as it was when the student was admitted to the college, unless the student appeals for a change in status. For non-matriculated students, those who establish that they are Vermont residents according to definitions set by the business office are considered to be in-state students.

Out-of-State Student: An out-of-state student is any student (graduate or undergraduate) identified as a non-Vermont resident, for the purposes of admissions. For non-matriculated students, out-of-state students are those who reside outside Vermont, or who have not lived in Vermont long enough to establish residency according to the college definition.
