

Manual of Policy and Procedures

Title NEW ENGLAND BOARD OF HIGHER EDUCATION REGIONAL STUDENT PROGRAM	Number 305	Page 1
	Date 1/29/07	

PURPOSE

The New England Board of Higher Education (NEBHE) Regional Student Program enables the six New England states to expand educational opportunities for their residents by providing a tuition discount for approved degree programs that are not offered by a home-state public institution.

STATEMENT OF POLICY

The Vermont State Colleges is a member of the NEBHE Regional Student Program, under which out-of-state students in member states are entitled to reduced tuition rates for designated programs.

An individual VSC member college may seek approval for Regional Student Program status through existing NEBHE processes and as deemed appropriate and beneficial to the College.

Regional Student Program tuition is calculated as a percentage of the in-state tuition rate, up to the maximum of the NEBHE-approved rate of 175 percent of the in-state rate. The VSC shall maintain a uniform Regional Student Program tuition discount rate across the colleges.
