Title BROADCASTING	Number 310	Page 1
	Date 6/7/2007	

PURPOSE

The Vermont State Colleges shall utilize legal and responsible broadcasting practices in accordance with any applicable State or Federal law or regulations, including FCC requirements.

STATEMENT OF POLICY

Each college which engages in broadcasting activities subject to Federal control shall, after consultation with General Counsel, establish policy and procedures to comply with all rules and regulations applicable under State or Federal law. Such policies and procedures shall control technical issues and broadcasting standards, and shall include the following requirements:

- a. Any broadcasting station shall be formally chartered and recognized by the Student Government and the President of the College;
- b. An advisor acceptable to the College shall serve in a guidance capacity to promote effective station management;
- c. Specific sanctions, including suspension or termination of broadcasting activities, may result from violations of Federal, State or college broadcasting regulations or policies.

All college broadcasts shall periodically transmit a disclaimer stating that the institution is not responsible for the content of student broadcasts. Any opinions expressed in student broadcasts do not necessarily represent the opinions of the Vermont State Colleges.
