Title COMMUNICATIONS POLICY	Number 418	Page 1
	Date 11/30/05	

PURPOSE

This policy establishes guiding principles for communications among the colleges, the Chancellor's Office and the Board of Trustees.

STATEMENT OF POLICY

Strategies to ensure effective communications among the colleges, the Chancellor's Office and the Board of Trustees are essential to carrying out the mission of the Vermont State Colleges. The VSC Board of Trustees and the Chancellor's Office will develop and implement an annual communications plan to ensure effective communications with the colleges, including specific strategies to engage faculty, staff and students. The communications plan will include strategies for distributing system-level information in a timely manner and for soliciting feedback on a regular basis.
