VERMONT STATE COLLEGES SYSTEM IMPACT 2016-17 For the benefit of Vermont

# New Initiatives at the VSCS

Visit www.vsc.edu for more information

# **Start to Finish**

This systemwide initiative advances game-changing strategies to increase academic success and retention in the first year, on-time completion of a VSCS degree or other credential of value, and progression within the system to further learning.

# **New Workforce Certifications**

To tackle Vermont's workforce needs and provide workingage adults with the skills they need to build their careers, the VSCS is increasing certificate programs. New programs include certified production technician and certified public bookkeeper (CCV), two new industry recognized hospitality certificates (LSC), a host of new industry credentials including diesel, cyber security, welding, HVAC (VT Tech) and more.

# **Direct Admissions**

Community College of Vermont students are guaranteed transfer admission to Castleton University, Johnson State College, Lyndon State College or Vermont Technical College.

# Unification: Northern Vermont University

On July 1, 2018, Johnson State College and Lyndon State College will become Northern Vermont University, a two-

campus institution of higher learning combining nationally recognized professional and liberal arts programs.

# The VSCS has adopted six strategic priorities to support its mission:

- 1. Increase the continuation rate of high school students on to postsecondary education.
- 2. Improve the retention and graduation rates at our colleges.
- 3. Become a more attractive destination for Vermont high school graduates.
- 4. Serve well more working age Vermonters.
- 5. Operate as a more integrated system to expand student opportunities and achieve operational efficiencies.
- 6. Increase state financial support and other supplemental revenues.

# Mission of the Vermont State Colleges System

For the benefit of Vermont, the Vermont State Colleges System provides affordable, high quality, student-centered, and accessible education, fully integrating professional, liberal, and career study, consistent with student aspirations and regional and state needs.
