This includes, but is not limited to, product availability, quality, prices, service availability, timing, and delivery. The purpose of this RFP is to identify those vendors having the interest, capability, and financial strength to supply the VSC with a Campus Portal solution. The VSC, in its best interests, reserves the option to accept or reject any or all proposals, to accept or reject any item or combination of items therein, to waive any irregularities or informalities in any proposal or items therein, and/or to negotiate with particular bidders following the evaluation of proposals without right of recourse by other bidders. A top proposal would be that assessed in the judgment of VSC as best complying with all considerations set forth in this RFP. When VSC has tentatively selected a successful proposal, VSC may engage in discussions with the bidder to formulate plans in greater detail, to clarify unclear items for either party, and to otherwise complete negotiations prior to formal selection.

However, certain public records are exempt from public inspection and copying, as set forth in 1 VSA § 317(c), including, for example, those portions of a record which meet the statutory definition of a trade secret. Accordingly, bidders should submit a second copy of their proposal, from which any portion of the proposal that the bidder reasonably believes to be exempt from disclosure under the Public Records Act has been redacted.

The bidder may not assign or transfer its rights or obligations under this RFP without the prior written consent of VSC, which consent shall not be unreasonably withheld. If selected as the successful bidder, you agree to submit a copy of the Certificate of Insurance verifying the above coverage levels to the VSC twenty (20) days prior to selling or distributing products and services at VSC or otherwise performing under the contract. Any liability coverage on a "claims made" basis shall be designated as such on the certificate.

Failure of the bidder to take out and/or maintain any required insurance shall not relieve the bidder from any liability under the contract, nor shall the insurance requirements be construed to conflict with or otherwise limit the obligation of the bidder concerning indemnification. The bidder's policies shall be considered primary insurance and exclusive of any insurance carried by VSC.
