

Secondary Education Programs at CCV

Helping Young Vermonters Prepare for Promising Futures

CCV's secondary education programs offer a continuum of opportunities to serve Vermont's middle and high school students throughout the state. Beginning with Access Days where middle school students are able to explore college and career opportunities and continuing through Dual Enrollment and Early College, CCV partners with K-12 to make sure that all Vermont students can make informed choices about college and career.

- In 2023-2024, CCV is serving students in all 17 career and tech centers through our Fast Forward program.
- In 2023-2024, CCV is serving students from 70 of Vermont's 72 high schools.
- Over the past 3 years CCV has seen growth in every secondary education offering with a 70% increase in Early College enrollment since spring 2022. The current Early College class has students enrolled from 67 of Vermont's 72 high schools.
- 48% of this year's Early College class had participated in Dual Enrollment prior to their early college year, highlighting the critical role of dual enrollment in this pathway.
- This year's 2023-2024 Early College cohort includes 113 students who are first-generation students and 109 who are low-income.
- Over the last two years of Early College at CCV, students came from all 14 Vermont counties, with 63 high schools represented in the class of 2022-2023 and 67 in the class of 2023-2024.

CCV Secondary Program Enrollments 3-Year History

These programs introduce high school students to college and career opportunities while also earning free college credits.

The Early College and Free Degree Promise programs require full-time enrollment at CCV.
