| | | Director of Residential Life and Housing Operations along with others. |
| 5 | Are the interviews to be treated like a formal presentation? Can you provide any additional information as to what you want to ensure is covered? | These are not intended to be a comprehensive walk through of your materials. We want you to open by presenting an overview of the proposal, dive more deeply the overall food service plans for the various locations and how the team you propose will support it. This portion should be +/- 30 minutes. The remainder of the time is to allow for an open dialogue and Q&A. The intent is to ensure a mutual understanding of our needs and your services. |
